Hello Steve,

I did some searching and think I have the answer to your question. RPP spaces will not be put on a metered street, especially on this block of Georgia Ave NW. Per 18 DCMR 2411.4(b), even though the block is metered, it can get RPP if adjacent streets are RPP. To get around that, RPP would have to be stripped from adjacent blocks.

Is this for a new development?

Let me know if you have any further questions.

Thanks,
Kelsey

Hi Ryan and Kelsey,

Ryan, as a follow up to my voicemail, can you please tell me if the 4800 block of Georgia Ave. NW is RPP-eligible? It appears to be based on the map and database, however it also appears to have parking meters. What happens under these circumstances? Are the meters no longer in effect?

Any information you can lend would be much appreciated.

Thanks,

Steve
